## MORE CHOICE, MORE SPARKLE, MORE TO CELEBRATE

The home of South Africa's favourite sparkling wine continues to lead sparkling innovation with our J.C. Le Roux Cans range. Your favourite bubbles are now also presented in individual servings of 250ml cans. Sophisticated, delicious and inspiring a spirit of spontaneity, they offer you the ability to celebrate anything, anywhere.

J.C. Le Roux Sauvignon Blanc in a can is perfect for sunny picnics because a beautiful outdoor get together with the girls is always worthy of a celebration.

### FRESH AND FRUITY FLAVOURS

Similar to the original J.C. Le Roux Sauvignon Blanc, the medium dry Sauvignon Blanc in a can has delicate aromas of tropical fruit including passion fruit and lovely undertones of sweet lemon. On the palate it has a crisp acidity, sparkling finish and lingering aftertaste.
